Foreword by the Chairman

I am sure that all you managers out there (whatever your title you manage cricket), will have a lot of empathy with Andy Flower. Having guided his protégés to a memorable Ashes victory he has had to watch the boys go from awful to dreadful and all shades between. When the Under 12's (on whom you have hung your credibility) fail to score a single run in the 30 odd (all extras gifted by the other team) which the opposition knock off for the loss of no wickets it is tough. However the longer-toothed amongst our doughty band merely shrug and then patiently explain the requirements of hitting the ball, running and bowling straight which contribute to winning at the next practice.

In the 2011 season we will have a lot of younger managers if the fixtures meeting is anything to go by. Hurrah for that I say as it is essential that we keep replenishing our organisers – I have long held that young players are not in short supply, managers are. We know that we are putting out almost the same number of teams next year as in 2010. The weather helped, but we also played a greater proportion of scheduled matches than has been the case some years so the omens are good. What is essential is to keep the spirit of cooperation which has developed over the past few years. With a very small number of exceptions we seem to have turned up at the right grounds on the right day and played cricket in the right spirit. Let us all redouble our efforts to ensure that this continues.

We are now becoming increasingly involved in the development of womens and girls cricket, the improvement (or prevention of deterioration) of playing surfaces and officials training. I hope that this will continue to build on the strong base we have in the area.

I would like to thank every person who is involved in cricket in our area for the effort they put in to the sport – the very greatest part of which is voluntary and often needs to be balanced against home and work commitments. While the club seniors may at times view the Under 12's mentioned above as useless, completely lacking a cricket brain in the team and only fit to play on the end strip under tolerance, I would argue that this team will in time provide both the adult players and the club structure which is vital to our sport. I need only give one example – Witham now has two groundsmen whose combined age is less than most of the club personnel I deal with in the area. They started playing in our leagues – let us look for the next generation in every match we organise – it has to make sense. But more importantly let us make sure that we all enjoy every moment we spend on cricket – it is our recreation as well as a great forum in which to learn about teamwork, tolerance and respect for others which will make our lives more fun and fulfilling.

Simon Gibbs

League Officers

KWIK CRICKET TOURNAMENTS

UNDER 11

Sean Bunch the NEDCB Kwik Cricket coordinator has spent the winter in negotiation with clubs and we are happy to announce the following dates for 2011 season festivals.

13th May - Earls Colne: contact John Perfect 01206 211413 or Les Abbie les.abbie@gmail.com. Please make every effort to support this event. I know it is early for many clubs but we don't get to Earls Colne very often and I am sure they will put on a great show.

27th May - Witham: contact Jack Sambrook 07905 75720 or Will Smith 07794 862062. A good opportunity to come along and see what can be done with the assistance of ECB & NatWest CricketForce (we hope!).

10th June - Clacton: Contact Gary Kirk - iftgk@aol.com

24th June - Boxted: Contact Paul Harris - 07891 798239 murphy.harris@btinternet.com

SUNDAY 3rd July 12.30 pm start - Halstead: Contact Del Pritchard delpritchard@gmail.com

8th July - Kelvedon & Feering: Contact Stuart Bonvini bonvini@freshfieldmicrowave.com

22nd July - West Mersea: Contact Graham Pryke graham.pryke@essexcricket.org.uk

All events unless otherwise noted will be held on WARM summer Friday evenings starting at 6 o'clock but best to get there early for parking reasons and to assist the organisers.

KWIK CRICKET TOURNAMENTS UNDER 11

If your club wishes to participate in any of the tournaments please get in touch with the contacts listed above.

While the Board recognises that every coach and parent wishes to see their charges achieving great things the Board would like to ensure that every festival contains enough competitive cricket experience to encourage the participants to continue to play. To this end it is imperative that the competitions cater for those that need this experience and not for those who have already started to develop as cricketers and for whom the festival could be seen as an easy way to flaunt their talent.

The complex statement above is meant to convey to managers wishing to enter tournaments that an age group cut off is not the sole selection criteria that should be used. We have established that Kwik Cricket should really be for the Under 10 age group with late-starters only at Under 11 participating to allow them to see if they want to progress. Likewise there will be some players, and this area is blessed with a number, who will have outgrown Kwik Cricket by age 9.

We would also like to encourage the entry of very young teams and girls teams to give an early exposure to the ethos and excitement of cricket to the widest possible section of the population.

It is really up to the managers within the clubs to do the work on this vital part of the cricket experience. It is impossible to be as rigid in our organisation as is the case in age group cricket.

North Essex District Cricket Report for 2010

In 2010 U'11 District cricket again had a good year, winning 3 out of 4 matches and winning the 20/20 tournament for a second year in a row. Well done!

The U'11s have been invited back again to RHS to compete in the Minor County Festival, a special thank you to David Merriday for making this possible.

U'13s won 2 out of 4, but were unfortunate not to go to the 20/20 tournament by the luck of the short straw.

U'15s had a good year, winning 3 out of 4 matches and Runner's up in the 20/20 tournament.

North Essex District Cricket Board held a programme of indoor cricket trials during the Winter for the Under 9s to Under 15s. The best players were fast tracked to Essex for trials at The County Ground. The programme of fixtures shown below offers the chance for players who have not been selected for Essex squads to enlighten selectors with impressive performances; with this method players are offered plenty of opportunity to climb the ladder to success.

If at all possible in the future it would be nice to play the other 4 Districts home and away every season, this would enable the players to get to know each other better and play more matches against good opposition. This would of course incur extra costs, so if anyone has ideas for sponsorships or fundraising please let us know.

District cricket is an exciting part of the North Essex Youth cricket calendar offering the opportunity for young cricketers to perform against strong opposition of equal ability. The matches offer a chance to perform at a high level and good performances are put forward to Essex Age Group Managers to compete for the possibility of a place in an Essex age group squad. These matches often prove to be crucial in gaining recognition in the Essex youth system.

District Matches 2011

Wednesday 1 st June		Venue	
North U11	v Metropolitan U11	Holmwood House School	2.00pm
North U13	v Metropolitan U13	Kelvedon & Feering CC	2.00pm

--	--

North U11 v South U11 Central U13 v North U13	Wed 17 th Aug U15 Thur 18 th Aug U13 Fri 19 th Aug U11
--	---

The Essex and District Managers and coaches work hard to create this opportunity for the youths and we do endeavour to get the process right. The whole process only works with accurate communication each year from clubs and schools. At the end of the season can all clubs remember to nominate their best cricketers to Essex Cricket Club for inclusion in next year's trials.

Good luck to everyone for the forth coming season and many thanks to all the managers and coaches for their time and hard work.

Maria Stockdale

General Rules applicable to League Competitions

1. Membership of a competition signifies acceptance of the competition and match rules at that time being operative.
2. The rules shall be distributed to all member clubs
3. No club may enter more than one team in any one division of the competition, except in the Under 11 Age groups.
4. A player registered with a club for the league competitions organised by NEDCB is deemed to be registered for that club for all competitions organised by NEDCB. A player may only play for a "second" club if their "first" club has not entered the same competition. (the "first" club will always be that club playing in the league, i.e. providing the greater proportion of cricket in that age group). The "first" club will always have the priority in selection if the "first" club league match coincides with a "second" club competition. N.B. The restrictions on registration do not apply to competitions outside NEDCB, e.g. Matchplay. However the "first" club rule still applies.
5. The executive committee may introduce registration with NEDCB if it is considered that this will be in the best interests of youth cricket.
6. The age for eligibility for each section shall be that the players must be under the respective group at the 1st September of the year preceding the competition. Any club playing an overage player forfeits the game without appeal - maximum points will be awarded to the opposition; the offending team gain no points. The offending club will be asked to provide a registration of all their colts.
7. League fixtures must be played on the agreed date as published in the handbook. Only in the case of cancellation due to bad weather may (and should) matches be rearranged.
8. If a team fails to honour a fixture, the result may, at the discretion of the executive committee, be awarded to their opponents.
9. The home side shall provide a new or good quality ball.
(Under 11, 12 & 13 a 4¾ ounce ball).
10. The Winning team shall be responsible for telephoning the result of the match to the Results Secretary before 10.00pm on the day of the match. Posting the result on the InfoConnect service shall satisfy this requirement. The Home team shall be responsible for the completion and submission of the result sheets within four days of the agreed date (as shown on the fixture card) of the match. The results sheet must be returned even if the match does not take place and the Results Secretary shall be advised of all changes of fixture dates either by phone or on the InfoConnect service (08444 777893).

General Rules applicable to League Competitions

11. Teams failing to notify the Results Secretary of the result on the day of the match, or teams failing to complete the result sheet by the agreed date will be fined £5.00 for each failure.
12. Matches in the North Essex District Cricket Board Junior Leagues shall consist of a maximum of 24 overs and a minimum of 16 overs. No bowler shall bowl more than 4 overs. If the organisers fail to agree, the match will be of 20 overs.
13. In the event of a match being abandoned for bad weather or light a result will be accepted based on run rate, provided the side batting second has completed a minimum of 12 overs. The run rate calculation will be based on the number of overs completed by the team batting second and the equivalent overs of the side batting first. If the run rate is equal, the side having taken the most wickets in the relevant overs will be adjudged as winning.
14. 20 points shall be awarded to the winner of a NEDCBLJL match.
Losers shall be awarded points as follows:
One point each for taking the first, third, fifth, seventh and ninth wicket in an innings. Maximum 5 points.
One point each for achieving 10, 30, 50, 70 and 90 runs.
Maximum 5 points.
If a match is tied, each team shall be awarded 10 points plus bowling points
15. NEDCB will not accept any responsibility for injury, loss or damage to persons or property, however caused, from participating in NEDCB competitions.
16. All ECB directives and recommendations should be adhered to in all NEDCB competitions. e.g. fielding and bowling limitations.
17. No player shall be discriminated against or abused (either verbally or physically) because of Race, Colour, Creed or Gender. Any incidents will be dealt with most severely by the committee.
18. Any matters not dealt with under the published rules will be dealt with by the executive committee whose decision shall be final.
19. A resolution to dissolve the Organisation can only be passed at an EGM or AGM through a majority vote of the membership. In the event of a dissolution, any assets of the organisation that remain will become the property of the North Essex District Cricket Board, or its successor, or the organisation with objectives most closely reflecting the objectives of NEDCB.
20. Any matters not dealt with under the published rules will be dealt with by the executive committee whose decision shall be final.

Terrier Cricket Competition Rules

The Laws of cricket shall apply except as dealt with in the “General Rules governing League Competitions” and the following.

1. Each team in the competitions shall consist of eight players. Each game will consist of one innings of sixteen overs per side. The Batting team shall be divided in to pairs. Each pair will bat for four overs. Pairs shall change at the end of the fourth, eight and twelfth over. Batsmen have “unlimited lives” however, each “life” will result in 5 runs being deducted from the total. No batsman who is out for any reason shall face the next ball. Batsmen shall change ends at the fall of each wicket. Batsmen out to the last ball of an over will become the non-striker for the first ball of the next over.
2. Each player on the fielding side (except the wicket-keeper) must bowl at least one over. No player may bowl more than three overs.
3. Each team will commence their innings on 200 runs. The winning team shall be the side scoring the greater amount of runs after deductions. In the event of a tie, the team taking the highest number of wickets shall be the winner. If the result is still a tie the team whose score, after deductions, was higher after 15 overs shall be the winner, if still equal, then the score at 14 overs etc etc.
4. No fielder, except the wicket-keeper, shall be allowed to field nearer than 11 yards from the middle stump apart from those behind the wicket on the off side (slips etc).
5. Both sides are required to provide an umpire and scorer. Qualified umpires are not necessary.
6. If a player is injured and in the opinion of the umpires is unable to bat or bowl, his/her place may be taken by a reserve. If no reserve is available any overs due to be bowled by the injured player may be bowled by any other player who has not exceeded his/her quota.
When batting the captain of the fielding side shall choose one of the batting side to bat a second time.
7. The pitch should be 20 yards (18.29 metres) in length. The ball shall be $4\frac{3}{4}$ ounces (135 grams) and should be provided by the visitors.
8. Any matters not dealt with under the published rules will be dealt with by the executive committee whose decision shall be final.

Kwik Cricket Rules and Layouts

Kwik Cricket is played using plastic bats, balls and stumps. The layout of the pitches should conform to the measurements below in competitions but can be varied according to ability of the players concerned.

1. Each side shall comprise six players.
2. Each game shall consist of twelve overs of six balls.
3. Each bowler shall bowl a maximum of three overs.
4. The wicket keeper will not normally be allowed to bowl.
5. Each batsman shall retire having scored 15 runs and will only be allowed to return to the crease at the fall of the last wicket. The last batsman shall bat with the remaining batsman at the fall of the fifth wicket.
6. Wides and No Balls score 3 runs only and do not result in a further ball in the over.
7. The pitch shall be 16 yards in length and a popping crease of 2 feet shall be marked.
8. The field of play shall be approximately 150 by 100 feet depending on ability and availability of space. It should be possible to hit boundaries but not too easily.

RESULTS TABLES

Check www.necl.co.uk for the latest

To get the results and tables as quickly and accurately as possible onto the website, the **Winning team** should telephone the result of the match to the Results Secretary before 10.00pm on the day of the match. Posting the result on the InfoConnect service shall satisfy this requirement.

The **Home team** should complete and submit the result sheet within four days of the agreed date (as shown on the fixture card) of the match. The results sheet must be returned even if the match does not take place and the Results Secretary shall be advised of all changes of fixture dates either by phone or on the InfoConnect service.

Teams failing to notify the Results Secretary of the result on the day of the match, or teams failing to complete the result sheet by the agreed date will be fined £5.00 for each failure.
